

## MAKE YOUR OWN Striped Fairway Barber Poles Kit

- ✓ Extra Tall
- ✓ High Visibility

- ✓ UV Resistant
- ✓ Shatterproof

Quickly and easily make the most visible, long-lasting, UV resistant distance and hazard marking poles with the VinylGuard Striped Fairway Barber Poles Kit and standard PVC pipe

**Kit makes up to five 5-ft. poles or three 8-ft. poles**

### Kit contains:

- 25-ft. spool of rugged VinylGuard
- 18 pre-cut, high gloss, UV resistance, adhesive-backed vinyl film stripes
  - ▶ Choose black or red stripes
- 5 matching white caps

### Buy your own Schedule 40 PVC pipe:

- 1½" ID pipe for the poles
- 2" ID pipe for the ground anchors

**Note:** For 5-ft. poles - Use 10" ground anchors  
For 8-ft. poles - Use 18" ground anchors

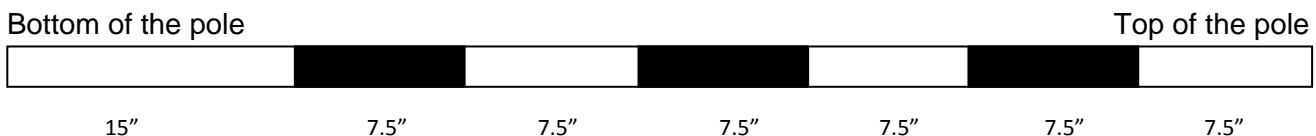

### Directions:

1. Shrink white VinylGuard over 1½" ID PVC pipe
2. Apply stripes over the VinylGuard:
  - Peel the adhesive off a pre-cut vinyl stripe and place the 7½" long stripe horizontally on a flat surface
  - Position the 1½" PVC pipe horizontally & squarely in front of where you wish to place the stripe
  - Using both hands, apply pressure and evenly roll the pipe over the tape
  - Apply the other stripes in the same way
3. Cover the pole with a cap
4. Install the 2" ID PVC ground anchor flush or slightly above the ground surface
5. Place the pole in the ground anchor

### Suggested Measurements for Placements of Stripes

#### 5-Foot Striped Fairway Barber Pole

#### 8-Foot Striped Fairway Barber Pole
